"FOR STUDENTS...BY STUDENTS"

Whereas, the Committee on Constitution and Bylaws has historically been useful, but more recently has experienced a decrease in responsibilities and overall workload, AND

Furthermore, SGA's projects have become more focused on Bethel's campus and student population and less on internal operations, AND

Recognizing, the Committee on Campus Life has been assigned an overwhelming majority of these student oriented tasks and cannot efficiently complete all of them with a three person committee,

Hereby let it be enacted,

1. that the Committee on Constitution and Bylaws be dissolved, AND
2. that the Committee on Student Life be created, with its primary purpose to address issues directly affecting the student population of Bethel College, AND
3. that the Committee on Student Life be entrusted to improve upon and address issues relating to Bethel College's campus (i.e. facilities, safety, etc.)
4. that any changes to the Constitution and Bylaws be carried out by the Speaker of the Senate prior to the next meeting of the Senate.
