"FOR STUDENTS...BY STUDENTS"

Whereas, the Student Government Association seeks to represent all students to the best of their ability, which includes appointing students to committees of the Board of Directors; and,

Whereas, Leicha Cook is a sophomore student with significant experience working with the Admissions Department at Bethel College, and knowledge of the work of the Admissions Department often translates into some knowledge of the marketing work being done at Bethel College; and,

Whereas, Lieacha represents the College well in her various roles on campus as a student, an athlete, and more. Though the Board Committee Representative position is up for re-appointment every year, Lieacha could potentially serve on this committee for the next three years, helping to continue to establish a solid relationship between the students/SGA and the Board of Directors.

Therefore, Let it be Enacted: This appointment of Lieacha Cook to the Representative to the Board Marketing and Recruitment Committee be confirmed by the Senate.
