"FOR STUDENTS...BY STUDENTS"

Whereas, the Student Government Association has experienced the resignation of the former Chief of Staff and the position is currently vacant; and,

Whereas, the Chief of Staff serves many important roles within SGA, including but not limited to: managing all members of SGA, serving as the Chief Financial Officer, and overseeing committees of the Senate and offering guidance on projects. While the office has been vacant, the responsibilities of the Chief of Staff have been being shared between leaders of the SGA, however, this is not a sustainable long-term solution to the vacancy. Therefore, the position needs to be officially filled by someone who can dutifully execute the roles of the Chief of Staff.; And,

Whereas, Ciara McKinney is a Senior Senator who is dedicated to serving students through SGA. She is involved in different roles on campus in addition to SGA, and has a good understanding of the College as whole. Senator McKinney has demonstrated a passion for making a difference, and was a contender for the Speaker of the Senate position last spring. Senator McKinney's skills and abilities will make her an excellent leader of SGA as the Chief of Staff.; And,

Therefore, Let it be Enacted: That the appointment of Senior Senator Ciara McKinney to the Chief of Staff be confirmed by the Senate.
