Bill 87-034: A Bill to Grant the Nursing Department Funds for the Addition of AEDs to Bethel College's Campus

Abstract:

An automated external defibrillator (AED) is a potential life-saving device that can re-establish an appropriate heart rhythm to someone in cardiac distress. Bethel College currently has two AEDs on campus that are in need of batteries...

This bill would grant the Nursing Department of Bethel College funds to assist in their endeavors to purchase additional AEDs for Bethel College's campus, purchase cases for the AEDs to be placed in, and purchase replacement batteries for the current AEDs.

Whereas, the nursing department of Bethel College is trying to gather enough funds to place AEDs around I,

Therefore, Let it be Enacted that \$750 be granted to the Bethel College Nursing department towards their project to further safety on campus by restoring AEDs currently owned and purchasing additional AEDs to be placed on Bethel College's campus be appointed to the position of Secretary for Diversity Affairs for the 87th Student Government Association.
