87-038: A Bill to Appoint Zach Esau to the Position of Junior Senator

Abstract:

Due to how late in the school year we are, the Executive, Legislative, and Judicial branches have decided to allow Student Body President to appoint a Junior senator. This is a bill to appoint Zach Esau to the position of Junior Senator for the 87th Student Government Association.

Whereas, Zach Esau has shown interest in participating in student government,

Acknowledging that there is one vacant junior senator position due to resignations that occurred following general elections,

Acknowledging that if vacant positions come up during the year and all branches of SGA agree that elections are not suitable, the Student Body President shall appoint people to fill those vacant positions,

Respecting, Zach Esau is an active member of the Bethel College community and is eager to represent her peers,

Therefore, Let it be Enacted: Zach Esau is appointed to the position of Junior Senator for the 87th Student Government Association.
