87-048: *A Bill to Ensure Payment to Mural Artists*

Abstract:

The purpose of this bill is to ensure that the artists that are involved with the mural project are paid each year.

Whereas, the mural project is intended to be a yearly project,

Understanding, the artists put a lot of time and effort into this project, on top of their other schoolwork and senior seminar project,

Recognizing, artists in the 'real world' do not do work for free. The arts are severely underfunded and underappreciated and it can be seen as insulting to ask an artist to work for no compensation,

Therefore, Let it be Enacted: the mural artist or artists that are chosen each year are paid for their time and efforts with a payment of \$100 to each artist involved.
