88-031: *A Bill to Purchase Pickleball Equipment*

Abstract:

This is a bill to fund the purchase of four pickleball paddles and four pickleballs. Given the increased interest in pickleball on Bethel's campus and in KS as a whole, having equipment available for use by all students will allow students to have more activities to do on campus.

Whereas, Pickleball has recently grown in popularity among Bethel students,

Acknowledging, that four pickleball paddles and four balls is an appropriate initial amount of pickleball materials to engage students who are interested in playing,

Acknowledging, that the cost of the [following materials](#) will be \$40 to come from SGA's internal operations budget and that these materials could be ordered on amazon and be used by students within one week of this bill's approval,

Understanding, that the safety of students is of the utmost importance, when the initial email goes out to all students informing them that this equipment is available for use and accessible to all, they will be asked to kindly wipe down the materials before returning them,

Acknowledging, that the safest and easiest place to store these materials is in the CA office or Student Life office closet in the Ad building, to be decided once the materials arrive,

Therefore, Let it be Enacted: the 88th Student Government Association approves the funding of \$40 from the SGA internal operations budget to go towards pickleball materials for use by all students for the coming years..
